

Flex -Leads

Our leads are flexible and design for MLM, Affiliate marketing, digital marketing, home business, enthusiast, direct mail marketing, gifting programs, opportunity buyers and opportunity seekers on or offline. If you have a good offer our Flex-Leads can assist you now or in the near future. Our leads are fresh and only days old.

We've been compiling leads for over 30 years and all of these individuals are eager and always looking for a great program to promote on or offline. Our Flex-Leads are only days old and are generate from advertising in home business publications, our in-house mail, and our reputation for 38 plus years. Our Flex-Leads are waiting for the next great offer. Statistically, they promote more than one offer. The Average is 3 or 4

Our leads come on peel & stick labels and are \$35.00 for 200 Flex Leads. Statistically, the best way to determine if you have good leads is to do a test mailing. You mail 100 pieces of mail, and they will reverse mail you with their offer or join your money-making opportunity or both. If you don't receive any reverse mailing, you don't have a good list. It's garbage. Believe me! We know from experience!

If you're new to this industry, we'll grant you lifetime consultation from our 38 plus years of experience if you decide to join one of our great programs or purchase our Flex-Leads. We'll teach you all the dos and don'ts so you can duplicate our efforts. Please fill out the order below and send \$35.00, and we'll process and ship your order ASAP! Order today!
