

THE PACKAGE

The package is a brand-new program that just launched. It's only one letter with two positions. We are requesting a one-time \$15 processing fee sent to the monitor, the 1st box on the left, \$32 to Wilson's list requesting 200 names to be sent to the person in the 1st position, 100 FC stamps to the person in the 1st position, and \$100 to the person in the 2nd position. Fill out the enclosed order form with the person's information in the 1st position, their name and address and their return address on the envelope and send \$32 requesting 200 names from Wilson's list. The 200 names will automatically be sent to the person in the 1st position because you added their information on the order form. The minimum purchase is 200 names. You can mail a hundred at a time after you receive them from your signups. All information must be verified before we can send you your letter, start-up package and our products. Once you start promoting, you will move from the 1st position to the second position.

Send a copy of the receipt for the 100 fc stamps for the person in the 1st position, and a copy of the \$32 money order you made out to Wilson's lists for the person in the 1st position and copy of the \$100 money order for the person in the 2nd position to the monitor. After the monitor confirms that the person has received the 200 names and fc stamps in the 1st position and your sponsor has received the \$100, you will receive this letter and a start-up package with your name and information in the 1st position. Make copies and send it to prospects. When you receive your first sign-up, you will move from the 1st position to the 2nd position. We expect you to use the 200 names and fc stamps to promote the person that sign you up in the 2nd position (your sponsor) and look forward to your sponsor to use their 200 names and fc stamps to promote their letter with their sponsor's name in the 2nd position and your sign-ups to use their 200 names and fc stamps to promote their letter with your name in the 2nd position. You will continue to receive names, stamps, and cash from your sign-up's efforts. This program is a winner. You could receive the package continuously from your sign-ups efforts. It's all about promoting and being consistent. One hand washes the other. The person in the 1st position jumps starts everything with the names, stamps, and this letter.
